Sound systems are provided but we ask that our hirers please bring your own audio cords (2-1 connection). If you do not have your own, there will be a limited number available at reception but will require a \$5 deposit that will be returned when the cord is returned to reception.

In respect and fairness to Dance Factory staff and all clients that use the studios, we ask that you finish on time, vacate your studio **promptly**, clean up, return tables/chairs and turn off the equipment. If you wish to go longer than your booked hours, and it is still within our operating hours, please give prior notice to reception so they can check availability and arrange payment.

Please inform us if you notice anything that needs to be repaired or you are having trouble getting into your studio on time.

Please Note: the staff area is off limits to all students but hirers are welcome to use these facilities.
